

Leader of the Week

Miss Jessie

By: Skylar Balch

This week we chose Miss Jessie to be the leader of the week. She is the leader of the fifth grade class, the Longhorn Bulls. Miss Jessie is a great friend to everyone. She has been a very good camp leader and the kids love her so much. She loves being a leader because she loves being in a place where she can love on kids. Also Miss Jessie loves to be a leader because she can teach the kids about the love of God. Miss Jessie's favorite thing to do with the kids is to pray, bible time, and play games. She loves doing activities with church. She has grown up in this church and the activities have been part of the package. She can teach the kids about the love of God. I asked her in an interview how summer camp has brought her closer to God. She said, "Working at summer camp humbles me and forces me to call upon the gifts of the Spirit for patience and kindness in particular. I love all these kids, but my class has showed me what it means to love and be loved. I have never felt as peaceful as I do when I am with my kids. I love them dearly and they have changed my life." On July 22, she is going to Detroit with WOW Jam. We are sad to see her go but we are also excited for her. Thank you Miss Jessie!!

Miss Jessie,
As a coworker, friend, and sister in Christ, I want to wish you well on your trip to Detroit. Your love for people is overwhelming and will touch the lives of many. Your kindness is abundant and is truly demonstrated by your servant's heart. I am so excited to see what God has planned for you and your team. I know that you will be blessed and moved in ways that are unimaginable. Your friendship is powerful and I am glad to call you my friend. I know that the people you encounter in Detroit will see the Spirit living in you and working through you.
God bless,
Miss Kylie

A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another. John 13: 34-35

Water of Life Baptism

By: Morgan Pierce

Last week we did the 3rd annual baptism. We did a class explaining what the meaning of baptism. We learned that when you are under water, it symbolizes Jesus's death and burial. It also symbolizes that you are a believer and you believe that Jesus came down and died for our sins. When you come out of the water, it symbolizes that you believe that Jesus rose from the dead and will come back someday. There were several kids who got baptized as well as an L.I.T., Billy, and the 2nd grade leader, Mrs. Selena. Congratulations for getting baptized. I and the whole camp wish you a great and deeper relationship with God.

LIT of the Week

Miss Lauren

By: Erika Williams

This week we wanted to honor Miss Lauren as LIT of the week for all of the hard work that she has put into camp. I asked her why she likes working at summer camp and her response was that she loves the kids and has a ton of fun working here. She also said, "I love [the kids'] joy and free spirit. They are always so loving." Lauren is also grateful that working here allows her to use the gifts that God has given her. After 8 weeks of camp, I asked her if she has seen God change the people here and how. She responded, "Yeah, I do. I see him change people in their spiritual lives and I watch God grow them into strong people." After working here, God has shown her how to live with the same joy and happiness that the kids demonstrate every day.

Red Dragon!

Red Dragon Karate

By: Kyla Horn

Red Dragon karate really helped us out over the summer, which was fun. They helped us with a talent that God gave them. They taught us how to say hello and goodbye in different languages which was awesome. They taught us how to defend ourselves in almost all ways like with our knees and elbows. We also learned about respect and being alert. Thank you Red Dragon Karate for teaching us all this cool things about Maui Thai and Karate. From WOLCS Summer camp, Thank you!
